Introducing SmileBPI Office Equipment & Supplies

SmileBPI

Smile Business Products, Inc. provides top tier products from world class manufacturers, including Sharp and Lexmark. We are dedicated to providing solutions that will accommodate the stringent guidelines of government agencies, as well as business applications within a corporate environment. All of our business products and solutions can be viewed, compared and ordered on our online catalog at: smilebpi.com/products.

Sharp

Sharp is leading the industry with a full-line of products and solutions designed to help businesses become more efficient. MFPs from Sharp offer innovative features that stimulate productivity, and have won Buyers Laboratories' prestigious Line of the Year award for two out of the past three years. Sharp MFP systems have been meticulously engineered to help businesses maximize their document workflow efficiency while providing outstanding image quality and performance. These models offer many advanced features such as a large, high-resolution touch-screen color display with graphical menu navigation, a full-size retractable keyboard to make data entry easy, direct USB printing, remote front panel, and Open

Systems Architecture integration solutions, such as the Drive Image Document Management Suite.

Lexmark

Lexmark provides businesses of all sizes with a broad range of printing and imaging products, software solutions, and services that help customers print less and save more. Their Virtual Solutions Center is designed to optimize workflow processes through network scanning, eForms, and document management, including education suites that assist teachers with automatically grading papers.

World Class Manufacturers

In addition to Sharp and Lexmark, Smile's relationship with distributors nationwide allows us to source just about any product available. Just tell us what you are looking for and we will find it.

Security

Businesses of all sizes need to protect every step in the document life cycle; from the initial scan to final output and distribution. A strong MFP security strategy requires a multilayered approach that deals with both internal and external threats, such as hard drive protection, access control and network security. Learn more about the risks and how you can help protect confidential data with Sharp and Lexmark's award winning products and Data Security Kits, and our firewall solutions.

Help Desk

Today's office technology can be difficult to understand. Smile's Help Desk professionals, in coordination with our Sales staff, can assist you in evaluating different technologies and finding just the right product to suit your needs.

Supplies

Smile's Inside Supply Department offers compatible and brand name (OEM) toners for all types of office equipment. Whether it's a Sharp, Lexmark, HP or any other name brand, Smile has toner for you. We know that receiving toner can be time sensitive. That's why we ship your order the same day, with next day delivery. All toners are 100% guaranteed.

Green = Smile

At Smile, we make every effort to ensure that we do our part to keep our environment safe from harmful waste. Sharp, Lexmark, and HP provide programs to help our customers do their part too, with free shipping to return toner cartridges. In today's world, it's imperative that we join together and work towards a cleaner and healthier environment. Visit our website at smilebpi.com/ewaste-form if you have an old copier or printer needing disposal. It's our way of saying thank you for helping us protect the environment.

**Simplify your life.
Simplify your business.**
